

A scenic view of the sea with mountains in the background and a dark blue box containing the text "Sea trade and seafood fishing". The sea is a deep blue with a bright, shimmering reflection of the sun across the horizon. In the foreground, there are several bright, starburst-like light reflections on the water's surface. The mountains in the background are silhouetted against a clear, light blue sky.

# Sea trade and seafood fishing

**Locations of  
seaports in  
France and  
their  
connections  
with  
European  
countries**

# Species of fish and seafood

**Dorada:** a popular sea fish, often served in restaurants above cote D'azur.

**Mussels and oysters:** Seafood that is popular in coastal cuisine.

**Salmon:** Depending on the season, you may find salmon in the region.

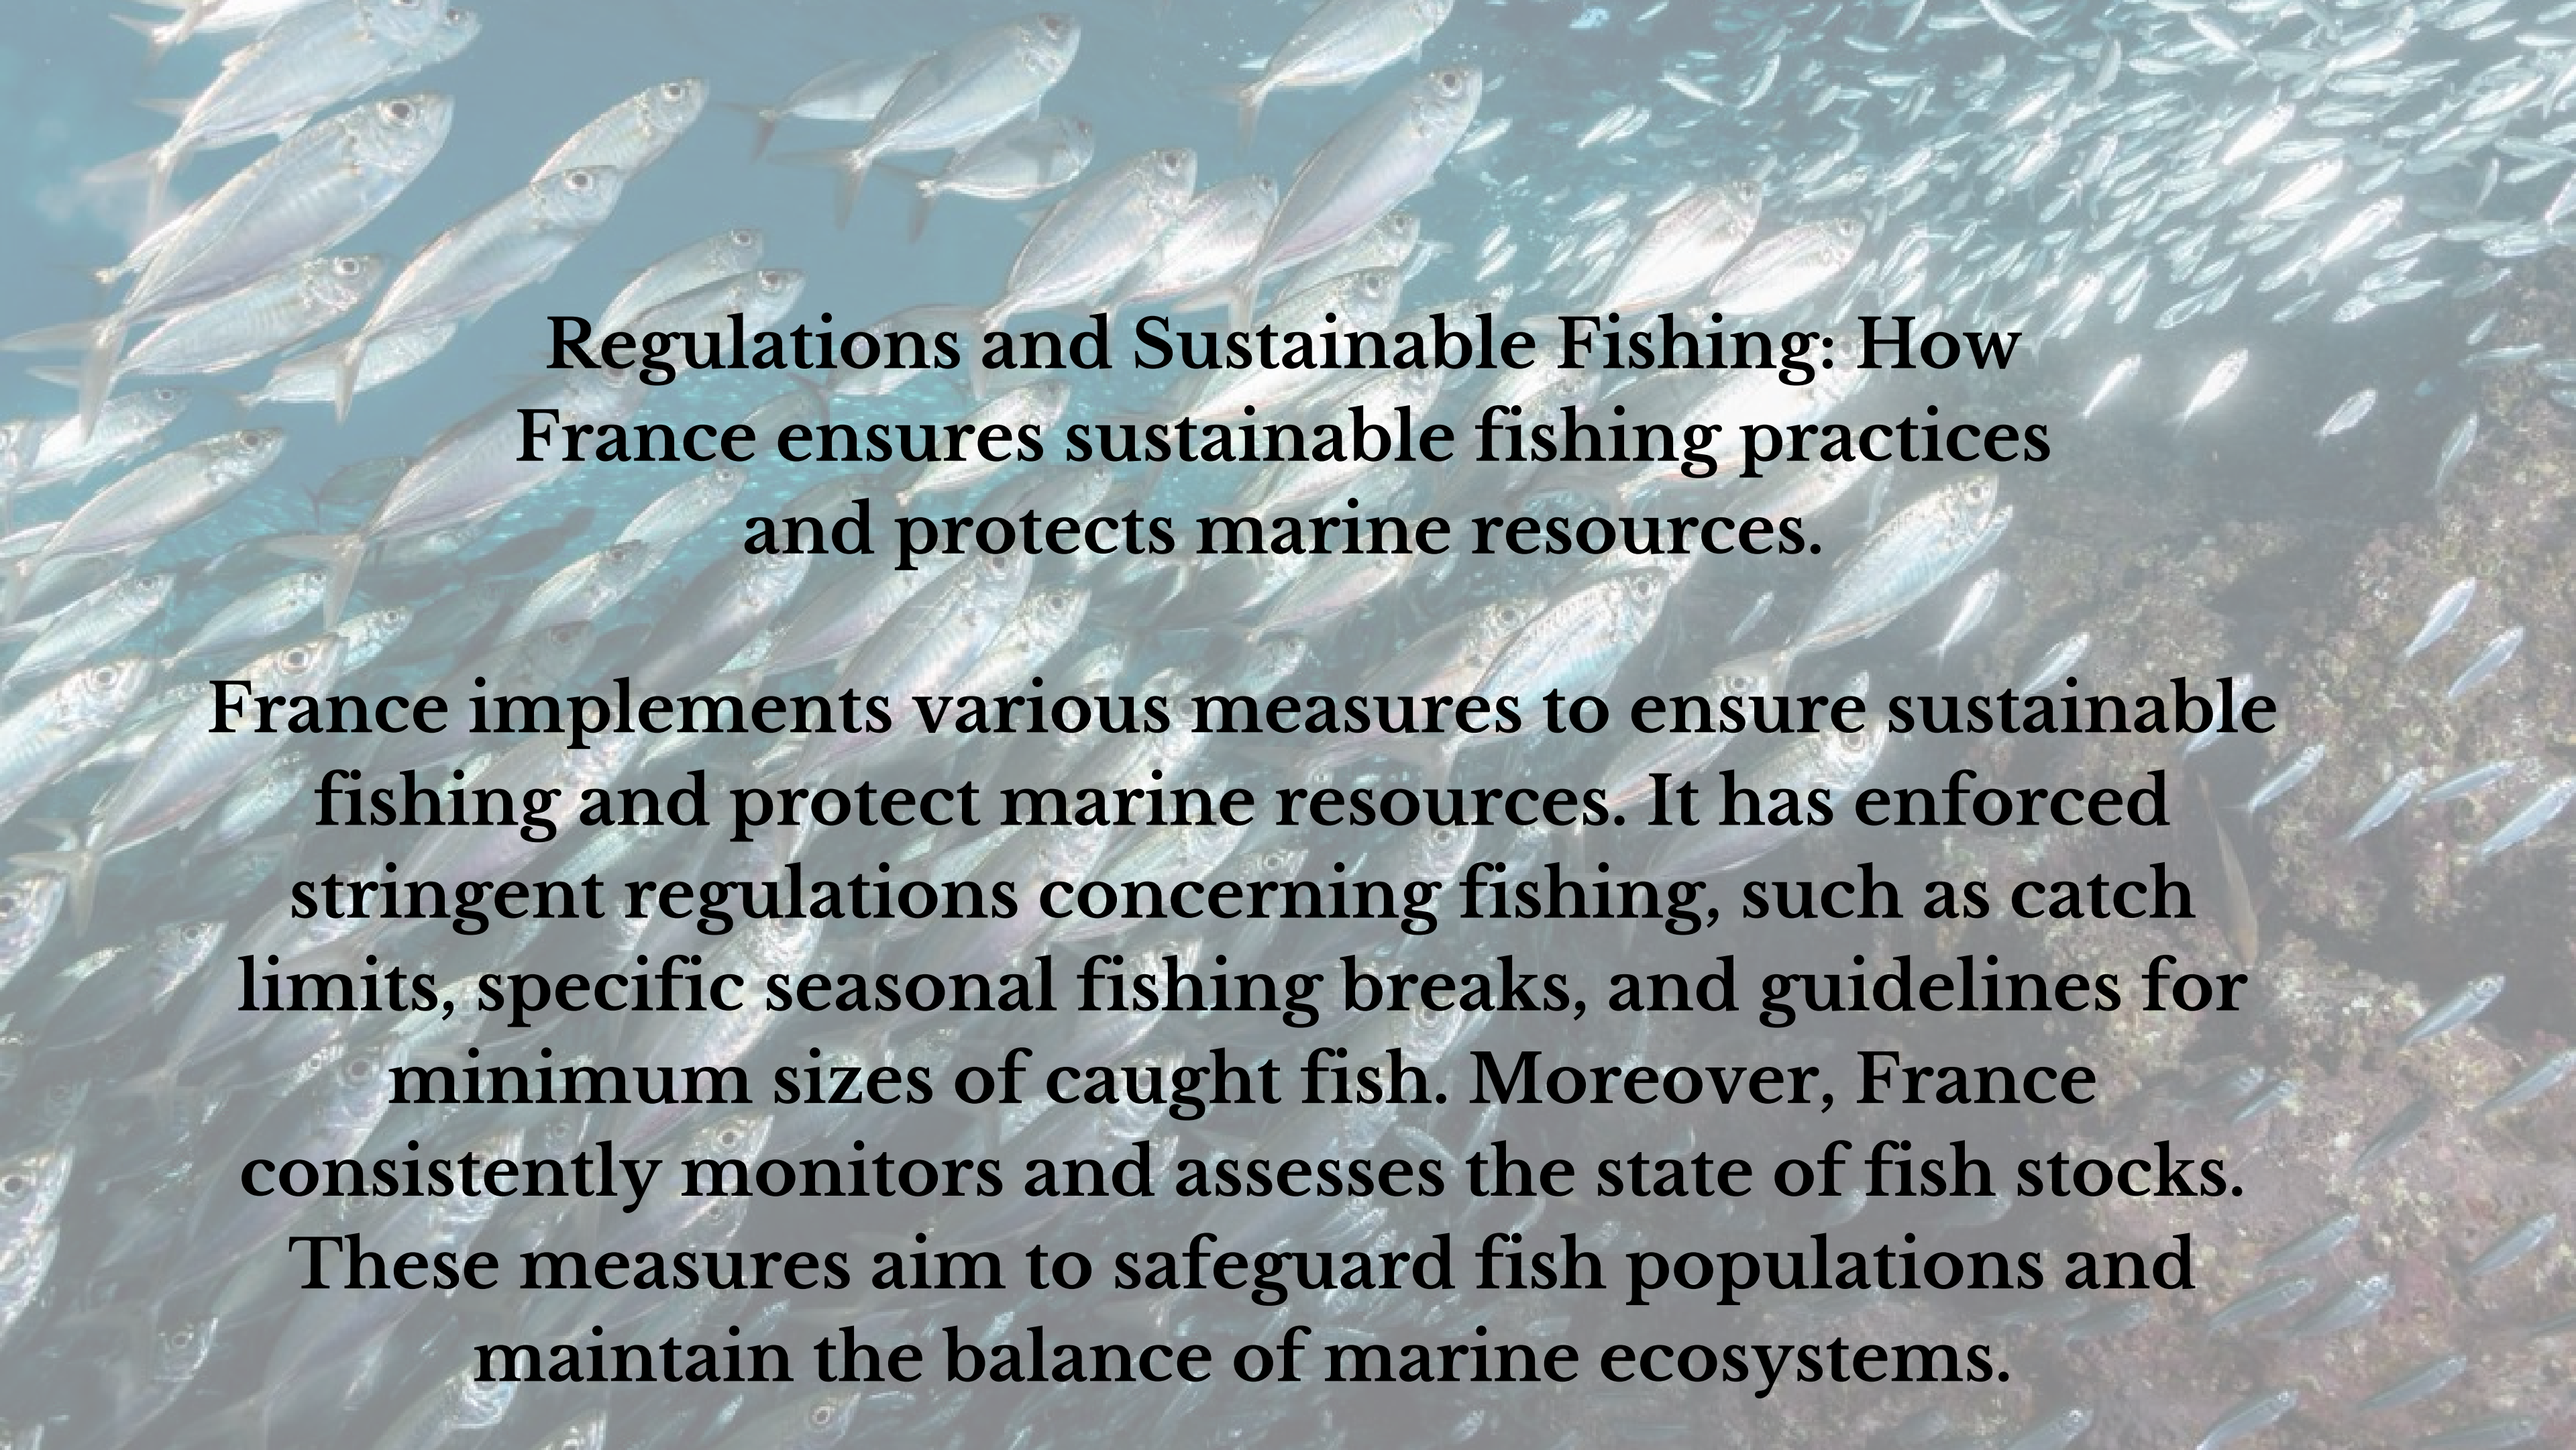

**Anchovies:** Anchovy, which is often used in local delicacies such as tapenade.

**Mussels:** Mussels that are a common element of dishes prepared on the French Riviera.

An aerial photograph of a port at sunset. A large cargo ship is docked at a pier, with its deck filled with colorful shipping containers. The sky is a mix of orange, pink, and blue, with some clouds. In the background, a city skyline is visible across the water.

**Value of  
Maritime  
Trade related  
to Seafood:  
How does this  
trade  
contribute to  
the country's  
economy?**

Maritime trade plays a significant role in the economy of France. The export of seafood generates revenue for the country and increases income from foreign sales. Additionally, this trade contributes to the development of local businesses, creating jobs for fishermen, food processors, and those working in the hospitality industry. Maritime trade also boosts tourism by attracting seafood enthusiasts.

A large school of silver fish, likely sardines or anchovies, swimming in clear blue water. The fish are densely packed and moving in a coordinated pattern, creating a shimmering effect. The background is a deep blue, suggesting an underwater environment.

**Regulations and Sustainable Fishing: How France ensures sustainable fishing practices and protects marine resources.**

**France implements various measures to ensure sustainable fishing and protect marine resources. It has enforced stringent regulations concerning fishing, such as catch limits, specific seasonal fishing breaks, and guidelines for minimum sizes of caught fish. Moreover, France consistently monitors and assesses the state of fish stocks. These measures aim to safeguard fish populations and maintain the balance of marine ecosystems.**

**The influence of culture and heritage on the development of the Côte d'Azur**

## **Nice, culture and heritage**

**Nice is characterised by a great variety of architectural styles from different periods. Over the centuries of a tumultuous history, Nice has kept within its walls the imprint of each perio**

## **Baroque art**

**The Palais Lascaris, dating from the 17th century, the Palais de Justice, the Palais de la Préfecture, formerly the Palais des Ducs de Savoie, the former Palais Communal and the former Senate, reveal the diversity and richness of the buildings in the old town. The religious architecture includes an exceptional group of buildings, including the Cathedral of Sainte-Réparate and the Chapel of Mercy, which bear witness to the very specific baroque art of Nice dating from the 17th century.**

## Contemporary Art

**Contemporary art is at the heart of Nice's life, culture and heritage. The Chagall Museum, the MAMAC (Museum of Modern and Contemporary Art), the Villa Arson, the National Theatre of Nice, but also, the Museum of Asian Arts, the Louis Nucera Library with its square head of Sosno and more recently the Allianz Riviera stadium.**

# Opportunities for small businesses in the Côte d'Azur

There are many opportunities for small entrepreneurs on the Côte d'Azur in France. I will briefly review them in the following slides.

# Café and restaurant

You can open a café where you offer delicious coffee and fresh croissants, which will attract both tourists and locals. A restaurant with local specialties, such as socca or ratatouille, can also be a great idea.

# Boutique and gift store

If you are interested in fashion, you can open a boutique with unique clothes and accessories that will attract style lovers. And if you want to offer souvenirs to tourists, a store with local handicrafts and art products would be an excellent

***Opportunities for French children  
to develop their interests and  
talents in France***

France is rich in cultural institutions such as museums, theatres, art galleries, and music conservatoires. These institutions often offer workshops, classes, and training programs specifically designed for children to explore and pursue their talents

France has special programs for talented and gifted children, known as Classes à horaires aménagés or section sportives scolaires (SSS). These programs allow children to pursue their talents, passions in area such as art, music, dance, sports and other disciplines

France places significant emphasis on sports, and various sports clubs and training centers.

These organizations offer training, coaching, and competitive opportunities in a wide range of sports disciplines

During school breaks, French children have this opportunity to choose wide range of summer camps and holiday programs where they integrate with each other

The background of the slide features a scenic view of a coastal town at sunset. In the foreground, a marina is filled with numerous sailboats and yachts docked at a pier. The water reflects the warm colors of the setting sun. In the middle ground, a town with multi-story buildings is built on a hillside, with some lights beginning to glow. The sky is a mix of deep blue and orange. The overall atmosphere is peaceful and picturesque.

## Advantages:

- Rich Cultural Resources
- Specialized Programs
- Diverse Education Options
- Holiday Programs
- Youth Associations

## Disadvantages:

- Inequality in Education
- Summer Camp Costs
- Youth Associations Disparties
